VIEW FROM THE TOP -

I hope all has been well with you all over the winter time. We went to Kerikeri in August to see our Great Grandchildren and it rained the whole time we were there.

The summer is nearly here so warm up those motor homes and hit the road and come to some of our rallies. We are going down to the Wellington NZNF rally as Wellington is where we started in the movement about 1974 and hope to catch up with friends and family. If you are going to the Wellington rally you need to book before the end of October to get your discount. Hope to see you all at AONC in November.

The committee is going to review the rules of the club in February if you have any suggested amendments please let the committee know.

Have a happy Xmas and New Year.

Pauline

SOME PERSONAL REFLECTIONS ON MEMBERSHIP OBLIGATIONS

What Your Committee can do for you:

Provide the NZNF sticker

Maintain links with land-based clubs and other like-minded groups under the umbrella of NZNF membership

Communicate via the newsletter between 2-4 times a year, or as needed.

Organise the AGM and the Christmas rallies

Assist and facilitate any other rallies members may wish to organise.

What you can do for your committee and other members

Keep the Committee up to date with your contact details

Where possible attend member-organised rallies, and Committee organised rallies.

Membership apathy has resulted in a lack of quorum at the past two AGM's...an apology does not indicate apathy, rather an inability to be at a particular place at a particular time.

Offer to go on the Committee....mostly Skype meetings, with short gatherings when practicable..

Organise a rally or a mini-safari in your area.

There are probably other 'obligations' you can think of--or even disagree with some that I've listed.

Many things are self-evident, that come with Nudvan Constitution and By-Laws. If you don't have a copy, then let us know.

Alison Milne
