Went down to Rotorua for the long weekend & it was very cold had to have the heater going in the bus.

The summer is nearly here so hope to get a tan on before we go to the national rally in Dec. John is now doing the newsletter for awhile so please send him any info you want in the newsletter.

Nudvan AGM

Whilst the AGM is the main event, we will be having a dinner and other social events. Book your site now for the weekend.

Whilst attending a Marriage Encounter Weekend, Bill and Mary listened to the instructor declare "It is essential that husbands and wives know the things that are important to each other." He addressed the men, "Can you each name and describe your wife's favourite flower?"

Bill leaned over, touched Mary's arm gently and whispered, "Self raising, isn't it?" .. The hospital says he should be discharged in a few days.

Remember, once you get over the hill, you'll begin to pick up speed!

Do you have any stories, adventures etc. preferably with a photo or two, that you would like to share with member in Navigator? If so please send them. ☺

Would you like to receive NZNF, and/or NZNF affiliated clubs newsletters ?

I am planning to keep three mailing lists.

1. Nudvan Navigator. By default, you have been added to this list, if you wish to be removed, or if you have an email address that you would like to have added please let me know.
2. NZNF gonatural News. NOTE this is the NZNF newsletter which I recommend to all Nudvanners, not to be confused with the gonatural Magazine (which I recommend you purchase).
3. Other NZNF affiliated clubs newsletters. I will send all club newsletters that I receive to this list.

gonatural News and all newsletter are optional mailing lists for Nudvan members who would like to receive them. If you would like your email added to either or both of these please let me know.
