## *President Pauline's Pen*

*Hi to you all,*

*Winter has been and gone. Spring is here club uniform can soon be worn. Summer is around the corner so get those vans checked out and get on the road. Look for our deal for the Xmas Rally... hope to see a lot of you there. We will be leaving early on the Sunday as our youngest great grandson will be turning one.*

## **Mid Winter Christmas**

As I sit here, under a grey sky (with rain threatening) clad in several layers of warm; I am reminded of that June evening at Counties where hats, gloves, scarves and top-to-toe woollies were de

rigueur. The warmth of the company and gathering around the flaming braziers certainly made up for the peculiarity of having a nudist event fully clad.

At least 40 members/associates-which included 12 Nudvanners- stretched the clubhouse to its limits as we sat down to the three course Mid Winter Christmas dinner devised by those resourceful Counties folk. Just in case you wondered- the doors had to be kept open to accommodate all of us, so scarves (and tongues) were loosened, hats and gloves removed-but that was all!

Nudvan skills were required at various times...John kept popping out to keep the electrics alive so we could have hot food (and hot water for washing up), Jan rendered first foot aid to Donna, and Christine's Xmas pud was enjoyed by all. Father Christmas's gift box certainly contained a very creative collection of presents which added to the evening hilarity, bonhomie and general all-round enjoyment.

I left before sampling the delights of the hot tub-hopefully John's electrical first aid was able to keep it hot! Thanks to everyone- it was great to catch up amidst such splendid company.

### Going-to-Rally-Safari

How many are going? Would you like to join up with others and wander down to Pineglades en safari? Makes Happy Hours a lot more happy, and even other shared experiences memorable. We don't usually get in our vans and 'just drive', so if any of you would like to travel with like-minded souls, email me and I'll try to get you all together. I'm not going, so won't be doing any route planning, stops etc for you-just facilitating for those who are. Who knows what you'll do, where you'll go, what you'll find out before reaching Christchurch.

### Christmas Party 2015

Once again, Counties Sun Club has invited us for a Christmas Get-together from the 27<sup>th</sup> – 29<sup>th</sup> of November 2015. There will be a pot luck dinner with the usual \$5 exchange gift. More info will be sent out as flyers before the date. As we are in good financial stead, the committee will

subside \$5 for each attending member to go towards camping fees. Let's hope we'll get a good attendance.

### **Safari 2016**

Plans are underway for a Safari in February next year where Christine, John, Col and Kath will go looking at 13 sites at Labour weekend. If suitable sites are found and agreed upon, the coordinates will be sent out to members.
